Financials B.Stever - Spoke about equipment bonus' and some issue when it was voted in and implemented and a rule will be made next meeting. In 2018 they voted 2 years and they get a bonus but no specifics, then 2022 \$250 split over 2 years is noted but no pay outs that we can find. Need to make it a rule and get it in the bylaws to track. Play it again will match our payment on a gift card and ump pays remainder.

Tournament Update - Field Update : Majors will be at FO. Can not cut into Basi. Need Porta Potties at FO and TLD. Field needs roller for new material that was laid. Need a Clean up day at Basi, Able and Steves as well.

- a) Allstar Update - Baseball uniforms in. waiting on soft ball . made it in time. First Baseball tournament for them was tough due to rules not being what we use.
- b) Rules Review - Proposed

RA will go to RN rules (kids pitching, coach coming in)

RN to Minors rules, kid pitch no coach coming in. - Add if the kid gets hit he takes his base

Minors stealing home balks, no dropped 3rd, lead off, slide if active play at home. Follow babe ruth mandatory play rule instead of all kids sit once before any sit again.

Majors Follow babe ruth mandatory rule, pitch 6 innings a week or 85 max. obstructions can't be in the way of the base. Clarify Smart pitch rules and a way for them to be tracked. Don't have to attempt to get out of the way if hit with a pitch.

Softball 8u change to (3 innings) to have to have everyone infield. Get rid of outfield can't make a play rule. Add stealing, not when coach pitches.
