MEETING NOTES

Live Scan are pretty much done and will hopefully be cleared this week. Two did not clear and two need additional information. Make up scan is Feb. 15 from 9-11 at Fair Oaks. If coaches do not show up then they will not be coaching this season and we will need to find someone to cover their teams.

Practice blocks were sent out to DP for field availability. After March 14 we will send out a new block to DP since games start on March 15.

Budget update: Income is in at this time. Adjusted budget numbers to actual players and division they are in based on fees per division. Expenses are accounted for and came in under budget for insurance. We did not charter with Babe Ruth which is why we are doing Live Scan.

Over our projection for sponsor and gave us extra money. Through donations we have more than covered scholarships for players who needed it. Vote to allocate \$470 towards scholarships for next year.

Hope to release rosters this week. Once rosters are released we can release practice blocks to coaches. We will not be giving out gear bags until Feb. 22 at the coaches meeting.

Andy Stever will doing the mandated reporter training. All coaches and assistant coaches need to be there MANDATORY.

We need to order 11 gear bags. We will give out a box of practice balls with the gear bags. The goal is to have the practice balls returned at the end of the season with the gear bags. Umpires are going to be in charge of the game balls and will have to return them at the end of each game.

Possible umpire check in at the snack shack and can get the game balls there.

Vote for umpire app. It's \$350 for the season. This helps with keeping track of assigning games and making sure that they are showing up to their assigned games. So far we have 38 umpires signed up. Most ump's are over 16

Opening day: We need someone to do pledge of allegiance. We will be needing volunteers for the entire day. Try to make sure that all the teams show up for the ceremonies. If coach cannot show up let us know

Umpires clinic- give input on what league specific rules need to be addressed during training. Try to encourage coaches to do a plate meeting before each game

Field cleanup day will be immediately following coaches meeting Feb. 22 @ 9am

TP Express \$125 per bathroom with service per month. We need 5 units- 2 Fishpark, 2 at Cottleswood, 1 at Gilbert- vote on a \$2,000 budget.. unanimously voted yes
